Trial Divisions
There will be six classes and teams will have equal numbers of male and female riders with the exception of Class C, D and E where riders may be of any gender mix. One substitute rider may be allowed before the event commences:

Class A: Secondary (Years 7 to 10) a maximum of 10 riders
Class B: Senior Secondary (Years 11 to 12) a maximum of 10 riders
Class C: Open Secondary a maximum of 10 riders
Class D: Tertiary Students/Community/Open a maximum of 8 riders
Class E: Upper Primary Students up to 25 riders, boys or girls
Class F: Electric Hybrid – pedal and electric motor (motors restricted to 500watts) - 8 riders any gender.

The event will be a timed trial with winners in each division being determined by the team that completes the most number of laps over the 6 hours.

*** PLEASE NOTE : IF AT ALL POSSIBLE AND ALL TEAMS ARE ASSEMBLED ON THE STARTING GRID THE RACE COULD BEGIN AT 9:30 – THIS WILL BE DECIDED ON THE DAY!

Conditions of Entry to this Event
All Persons entering this event must abide by the following conditions
- No pedestrians to cross the track at any time.
- Alcohol is not permitted into this event.
- No glass permitted.
- Any person identified as being involved in any criminal, reckless or negligent act will be required to leave the event.

Failure to comply with these conditions of entry will require patron to leave event.

Pedestrian Safety
During the event there will be ample access for foot traffic. Spectators must remain outside the track at all times. Viewing areas for the members of the public will be clearly defined and patrolled by marshals.

Human Powered Vehicles and other Entry Requirements
Vehicle scrutineering for safety will take place on the Saturday (4th May) before the race (Bastick Street Rosny Park - see program previous column). (Unless the vehicle has raced at a previous 2012/13 recent event)
